On behalf of All Cannings Community First Responders,  
We would like to thank the Community for the support  
and fund raising given this past year.

Without your support we could not function.  
We have attended 32x critical emergencies and 47x non-critical calls in the  
local community this year.

Wishing you, our supporting members and fund raisers a  
Merry Christmas and Happy New year!

Best wishes from the team  
All Cannings Community First Responders
