

## **All Cannings Neighbourhood First Responders**

# **Operational for one year**

**Update Notice: December 2006**

**All Cannings Neighbourhood First Responders  
have been supporting your community for  
One year!**

**This is a great achievement for a voluntary scheme which is challenging to manage and operates with minimal support. The voluntary scheme has proved to be an invaluable service to the local community with over 14x critical emergency calls this year with an average response time of 5-8minutes.**

**I would like to thank all those who have assisted and supported the scheme over the last year and congratulate them on their immense efforts in serving the community, just when seconds count!**

**THANK YOU!**

**We would also like to express our very best wishes to the people we have assisted during this past year.**

**If you would like to hear more about the scheme, please call.**
