

All Cannings and Villages Neighbourhood First Responders

Update Notice: March 2007

We need your support!

All Cannings and Villages Neighbourhood First Responders have been supporting your community for over one year, but we need your support and help with fund raising to maintain this community and voluntary service.

The group is developing well with training and commitment to serve the community. We are currently in the process of establishing our second emergency response kit with our newly donated second defibrillator to support you and the community when seconds count!

We are urgently in need of more volunteer first responders, community support fund raisers and donations for more equipment and additional training. Without this support the group can not function and we will lose this precious emergency response service for the Pewsey Vales Villages.

Group coverage for on call duty time averages 45% per month. The voluntary scheme has proved to be a valuable asset and service to your local community with over 14 critical emergency calls last year with an average response time of 5-8 minutes. We now have volunteers in Bishop Cannings, Woodborough, Chirton and All Cannings

We work along side the Great Western Ambulance Service NHS Trust supporting them and supporting you.

If you would like to hear more or can support us then we would really like to hear from you.

Please call us

Mr. G. Bird (Co-ordinator), Tel: 01380 862972
